New Jersey Floodplain Management Workshops
Permitting and Inspecting Floodplain Development
Elevation Certificates & Letters of Map Change

Hosted by FEMA Region II in partnership with New Jersey Department of Environmental Protection (NJDEP), these workshops for local floodplain administrators and surveyors will help answer common questions about floodplain management and the tools used to keep communities resilient.

Two-Day Workshops
Day One—Elevation Certificates
Day Two—Floodplain Management
(All sessions, 8:30 am—4:30 pm)

Dates and Locations
Middlesex—October 29 & 30
Bayville—October 31 & November 1
Vineland—November 12 & 13
Westampton—November 14 & 15
